

# AHS in DALLAS CHAPTER NEWS

Spring, 2021

---

## NOTES FROM THE PRESIDENT

Greetings to all members of the American Harp Society in Dallas!

As I reflect on the year we've had since my newsletter last Spring, it's hard to believe the year we were NOT expecting. I'm hopeful that the past year has brought some positive aspects to your lives, both personally and musically. I also reflect on the number of lives we've lost this year due to COVID-19. I'm sure all of you have been affected in some way. I wish you all the best in your recovery from all the negatives we've experienced this year, and rejoice in the positives and new knowledge gained.

On the personal and positive side, I took a very short break from playing the harp, after many years of playing professionally. I learned that I really still love playing the harp and feel even more fortunate that I'm doing what I love!! I used the "non-gigging" time to learn new repertoire, and brush up on the old. I also believe I became a better teacher through having to teach virtually, having to pay much closer attention to a student's technique, and learning to teach rhythm in a new way, due to sight and sound not always being in sync online.

As you read this newsletter, I hope you can see just how diligent and hardworking the members of the Board of Directors of our AHS in Dallas Chapter are, and have been. Although they were struggling to make their own livings as musicians in a pandemic, they also jumped in to learn new ways of keeping our Chapter strong and solid. Not only did they adopt

means to continue to have meetings virtually, they invented ways of helping our members, our student members, and our fellow musicians. I am humbly grateful to them for their dedication to keeping our Chapter moving forward.

Please read on!

Sincerely,

Becky Scherschell, President

Board of Directors,

Laura Logan Brandenburg - 1<sup>st</sup> Vice President (Programs)

Cindy Horstman - 2<sup>nd</sup> Vice President (Membership)

Leanna Johnson - Secretary

Sydney Howell - Assistant Secretary

Carla Siegesmund - Treasurer

Haley Hodson - Historian/Webmaster

Naoko Nakamura - Student Events

Urszula Rucka - Hospitality

Monika Ruusmaa- Assistant Hospitality

#### **Julia Herrmann Edwards Student Scholarship Competition & Gail Barber Prize Scholarship Competition**

These competitions will take place virtually, but live. Our Student Events Chair, **Naoko Nakamura**, and her committee, are working out details for a smooth competition. The **Julia Herrmann Edwards** Student Scholarship Competition honors Ms. Edwards, who was a long-time Dallas Symphony harpist, and our Chapter founder, and awards prizes to the best performances of music written or edited by Marcel Grandjany, her teacher. The **Gail Barber** Prize Scholarship Competition honors Ms. Barber, and awards a prize for the best performance of a composition written or arranged by Ms. Barber. The repertoire has been circulated and the deadline to enter has passed, so all we do is wait for the date. Of course, our student competitors will be working diligently for their competition moments!

This is not a scheduled meeting, except for the competitors, so we anxiously await the results of the competition.

## *AHS in Dallas COVID-19 Pandemic Projects*

In May of 2020, the Board of Directors sponsored an AHS in Dallas Cares Grant to help support its members who were unemployed due to COVID-19. Each recipient was asked to fill out an application form and apply for a grant for up to \$250. Grants were awarded in June, 2020.

The AHSD Board of Directors also decided to let each member in good standing from the 2019-2020 season remain a member for the 2020-2021 season without having to pay for the new season. This was to encourage all members to continue their memberships in spite of any COVID-19 financial hardship.

Each September, North Texas Giving Day, sponsored by the Communities Foundation of Texas, is set aside for anyone who wants to donate to non-profit organizations. The American Harp Society was given generous donations this year, and the Board of Directors voted to give a portion of the donations to the DFW Musicians COVID-19 Relief Fund, to help all musicians in the area. A grateful thank you to all who donated this year!!!

### **From the studio of Cindy Horstman:**

experience for both Cindy and her students. Her videos of the students playing her arrangements and compositions have won praise throughout Dallas College including the Board of Trustees.

The link below is their holiday virtual concert:

The Dallas College Harp Ensemble members are: **Travis Beck, Angela Glover, Stan Guy, Grace Johnson, Ceci Lagarenne, Linda Mudd, Angela Pajoohi, Cynthia Raehl, Tenesa Rasmussen, Jo'anna Snowden, Sally Stobaugh, Katherine Taylor, Carla Siegesmund, and Linda Whitaker.**

Cindy has also been active as a performer, presenter, and board member for the national American Harp Society and the Harp in Worship National Conference.

From **Laura Brandenburg:**

After 20 years of service in the TCU School of Music, **Laura Logan Brandenburg** stepped down as Harp Instructor at the end of the Fall 2020 semester. Her tenure at TCU was filled with amazingly talented colleagues, incredible friends, memorable musical collaborations, and many wonderful students she was privileged to teach along the way. She is currently investing her time in a variety of musical and non-musical projects and is enjoying teaching and coaching on an ad hoc basis for now. Laura could not be more delighted with the appointment of her former student Mallory McHenry as incoming Adjunct Instructor of Harp at TCU. Mallory brings incredible musicianship, scholarship, and vibrant energy to the position. The DFW harp community warmly welcomes Mallory back to the area and we all look forward to seeing what the future holds for the next generation of TCU harpists.

In addition to serving as an officer for the AHS in Dallas Chapter, Laura is also honored to serve on the Board of Directors of the Harp in Worship Conference. She has previously been a presenter and ensemble director at

the 2013 and 2017 conferences, and is looking forward to serving as a team member at the 2021 virtual conference. The Harp in Worship Conference will be held July 1-4, 2021. More information is available at [www.harpinworship.org](http://www.harpinworship.org).

From the Studio of **Sydney Howell**:

It's been a challenging year for **Sydney Howell's** Harps of Gold Studio. The spring recital had to be cancelled, but the students made individual videos of their recital pieces. They were told to dress up and pretend it was a real performance, and it went very well. The studio did have a live student recital in December. Most of Sydney's students continued their harp lessons either online or in person with masks.

Sydney and her husband, Dan, have continued to be active during the pandemic, especially with church activities where they chair six committees altogether. They also love spending time with their German Shepherd, Duke. Sydney played several of weddings, church services, and funerals throughout the pandemic. She says she and Dan continue to be thankful for lessons learned, and for those they have been able to help during this time.

We extend our deepest sympathy to Sydney and Dan and their family upon the recent passing of Dan's daughter.

From **Naoko Nakamura**:

On Sunday, March 14th, 2021 at 2:30PM, livestreaming from Caruth Auditorium in SMU's Owen Arts Center, the Meadows Chamber Orchestra performed. The concert, led by music director Paul Phillips, featured the world premiere of "Lullabies for Harp, Strings and Percussion" by noted Danish composer Jesper Koch, featuring SMU faculty member **Naoko Nakamura** as harp soloist. The first lullaby depicts nature, going to sleep, a foggy meadow in late summer with occasional nature sounds breaking the silence. The second lullaby, "Haruki's Lullaby," is a simple but beautiful melody to lull a little boy to sleep.

## *2021 AHS Summer National Conference Postponed*

The 44th National Conference is now scheduled for June of 2022, and will take place in Sioux Falls, South Dakota. Stay tuned for details as they develop!!
